AMENDMENT INFORMATION

The following change shall be made to the specifications:

Specifications

1. Section 02300, para. 3.4, 3rd sentence, Revise as follows, "The contractor shall remove from the site and dispose of all overburden and other spoil materials in accordance with all applicable Federal, State, local laws and regulations."
2. Section 02300, para. 3.5, last sentence, Revise as follows, "The contractor shall remove from the site and dispose of all excess satisfactory and unsatisfactory materials in accordance with all applicable Federal, State, local laws and regulations."
3. Section 01355A, para. 3.5.4: Add a comma after the word, "conditioning".
4. Add the following paragraphs to the specifications:

CONSTRUCTION PROJECT SIGNS AND PUBLIC SAFETY SIGN

The Contractor shall construct three signs, one for project identification, one to show on-the-job safety performance, and one public safety sign. Sample sign drawings together with mounting and fabrication details are provided at the end of this section. The signs shall be erected within 15 calendar days after the date of Notice to Proceed. The project identification and safety performance signs are to be displayed side by side and mounted for reading by passing viewers. The public safety sign shall be the same size as the project signs.

Exact placement location will be designated by the Contracting Officer. Panels are fabricated using HDO (High Density Overlay) plywood with dimensional lumber uprights and bracing. The sign faces are non-reflecting vinyl. All legends are to be die-cut or computer-cut in the sizes and type-faces specified and applied to the white panel background following the graphic formats shown on the attached sheets. The Communications Red panel on the left side of the construction project sign with Corps signature (reverse version) is screen printed onto the white background.

The Contractor shall maintain the signs in good condition throughout the construction period. No separate payment will be made for erecting and maintaining the signs and all costs in connection therewith will be considered the obligation of the Contractor. Upon completion of the project, the Contractor shall remove the signs from the project site.

2. This amendment shall be attached to the specifications and shall be a part thereof.
